Membership Benefits of Opticians Association of Iowa

- OAI sponsors a spring meeting which offers continuing education credits to meet the requirements for ABO/NCLE recertification, an excellent opportunity to network with colleagues
- Associated with Midwest Optical Conference which holds a conference every fall featuring nationally known speakers
- OAI publishes an annual membership directory which contains the names and contact information for colleagues and business associates
- OAI Newsletter to keep you up to date on OAI events and information
- OAI on the web, with links to optical sites and vendors, upcoming events and registration
